

Dear Customer,

Your Amazon Prime Membership is set to renew on December 05, 2022. However, we've noticed that the card associated with your Prime Membership is no longer valid. To update the default card or choose a new one for your membership, Please click on the button bellow and follow the on-screen instructions .

To prevent interruption of your benefits, we will try charging other active cards associated with your Amazon account if we can't charge your default card. If we can process the charge for your membership fee, your Amazon Prime benefits will be suspended.

To complete the process, click on the button link below.

[Update Payment Information](#)

If you do not verify within 24 hours, our service will permanently suspended your Prime membership.

Sincerely,
The Amazon Prime Team.
